Caterlink change

Starting next week Caterlink would like to introduce the option of a filled baguette (either cheese or ham), vegetable crudities, a piece of fruit and a sweet (from the usual menu) as an additional lunch option. This will be trialed on a Tuesday only in the first instance, in order to establish how much interest is shown. Children will be able to order this in the usual way during morning registration. This option will also be included as a universal free school meal for infants which applies to Reception, Year 1 and Year 2 children.

Preventing & Tackling Bullying Policy Review Working Party

In March 2025, we asked parents to complete a survey sharing their thoughts and opinions about how we prevent and tackle bullying. We would like to thank those who completed this survey. The next stage for us is to gain 'pupil and staff voice' on this matter. Finally, we would like to share our renewed policy with a group of parents, representative of each year group if possible. This small working party will support us in finalising this crucial policy. If you would like to be part of this working party, we will meet on **Thursday 19th June 1.30pm – 3.00pm**. Please contact Mrs East via email at admin@leckhampton.gloucs.sch.uk if you would like your name to be added to the list.

Wellbeing Week

Next week, we are looking forward to our Leckhampton School Wellbeing Week! This year, we have planned events which we hope will be enjoyable for everyone. The aim is for all children to take part in a new or different activity every day. The activities are all based on the NHS 5 steps to Mental Wellbeing. The Wellbeing Ministry will introduce these events during Collective Worship on Monday and teachers will encourage pupils to get involved!

Congratulations to Miss Thomas (Sycamore Class Teacher)

During the half-term break, Miss Thomas got married! She had a wonderful day and will now be known as Mrs Greed.

Caretaker role

We would like to let families know that our longstanding Caretaker, Mr Kelsey, will be retiring in July. Mr Kelsey has worked at Leckhampton for over 20 years and has had a huge impact on the maintenance of the school and grounds during this time. We wish Mr Kelsey the very best of luck for the future and should like to thank him for all his hard work and dedication. We are currently advertising for a replacement caretaker and will inform families when we have completed the recruitment process.

Active Journeys Week

During the week beginning 16th June, Mrs Hatton and the Eco Ministry will be promoting active journeys to school. Whenever possible during this week, please could we ask families to walk, scoot or cycle to school. If you need to travel by car, please could we ask that you park away from school and walk the final part of the journey.
