

# MINECRAFT

## {JavaScript}

### Afterschool Club

Ready to level up your skills? Learn to code Minecraft like a pro using JavaScript, one of the world's most powerful programming languages. Command your agent to build, create epic game mechanics, and unlock new possibilities as you transform the game with real coding! It's time to go beyond visual blocks and dive into coding that takes your Minecraft adventures to a whole new level. Get ready for a fun, hands-on workshop that will supercharge your programming skills! And don't forget—the winning team will take home the ultimate prize: a trophy!

**"JavaScript lets you automate Minecraft, so you can make the impossible possible – one block at a time!"**
