

Dear Parents

Autumn Term 2026: Extra-Curricular Clubs

Please find below details of the **teacher led extra-curricular clubs** that are running in the Autumn Term. Teacher-led clubs can be booked through School Cloud using the link below:

[SchoolCloud - Leckhampton C E Primary School](#)

School Cloud bookings will be available from **Monday 20th July 2026 at 6.00 a.m.**

As parents will note, teacher-led clubs will pause during fixture weeks due to staff commitments at tournaments and events. To reduce disruption and avoid short-notice cancellations, we have introduced designated fixture weeks wherever possible. This allows us to group fixtures together and provide a more predictable schedule for both clubs and sporting events.
