MINECRAFT HACKERS

Afterschool Club_

Is your child ready to elevate their Minecraft skills? In our Minecraft Hackers workshop, kids will unlock the potential of text commands, learning how to teleport, become fire-resistant, craft potions, and design complex chain reactions with command blocks and pressure plates. Through team-based activities, children will not only have fun but also sharpen their computational thinking skills to transform their gaming experience!

At the end of the course, each participant will receive a certificate, and the winning team will be awarded a special trophy!
