Welcome to Ovation Theatre Club!

Ovation Theatre Club is an exciting after-school musical theatre club where children develop their confidence, creativity and performance skills through singing, acting and dancing. Throughout the year, we work towards a full-scale musical, giving every child the opportunity to perform in a professional local theatre with costumes, lighting and a live audience.

The club is led by Laura Bishop, a local primary school teacher with many years of experience in both education and musical theatre. Laura has successfully run Ovation Theatre Club in a number of local schools, providing hundreds of children with the opportunity to experience the excitement of performing on stage.

This year's production is Matilda The Musical JR.

To find out more or register your child, simply scan the QR code or visit our website. We can't wait to welcome your child to Ovation Theatre Club!
